

## **2010 Cessna 170 Calendars are now Available**

Doug Mowry is now taking orders for the 2010 Cessna 170 Calendar. This is a professionally printed 13 month (12/09 - 12/10) 28 page calendar that measures 11" x 8.5" when closed (this means an 11" x 8.5" photo above the fold and an 11" x 8.5" calendar below the fold). Photos were supplied by fellow 170 owners and include: U.S. (Alaska, Colorado, Mississippi, Utah, Wisconsin), Canada, Brazil, and other locations. In addition, special dates have been identified on the calendar: Sun-n-Fun, TIC170A Convention, and AirVenture.

### **United States and Canada Orders**

For all orders from within the United States (including Alaska and Hawaii) and Canada - \$13 (USD) per calendar.

### **International Orders**

For all orders from outside the United States and Canada - \$16 (USD) per calendar.

### **Order/contact info:**

Email address is "mowryd@hotmail.com", so feel free to contact him if you have a question. Phone number is in the TIC170A members directory, so you can also call him if you wish.

If you wish to mail a check, please make it out to "Douglas Mowry" and mail it to :

Douglas Mowry  
PO Box 791  
Douglas, MA 01516

Doug also accepts Paypal @ "mowryd@hotmail.com" if you prefer.

When ordering please include the following:

Name

Shipping address

Quantity requested

Some method of contact (email, phone, etc.) in case there are any hangups.

If you are unfamiliar with Paypal but want to use it, proceed as follows:

Go to <http://www.paypal.com> - click "Send Money", on the right is a box entitled "Send Money" - follow the instructions to register (it's free) and send your payment to "mowryd@hotmail.com". There is a place for you to include a note to indicate your order quantity and shipping information.

International orders will also be accepted, however, please keep in mind that this is a U.S. calendar with U.S. holidays. The ability to gaze at beautiful C170s throughout the year should outweigh any inconvenience caused by non-applicable or missing holidays!
