2011 International Cessna 170 Association Convention

CONVENTION HOTEL: Four Points Hotel (by Sheraton) 8110 Aero Dr. San Diego, CA 92123 -
Reservations: Call (800) 992-1441, request IN HOUSE reservations and mention The International Cessna 170 Association.

ROOM RATES: Single or double \$109. Each person additional, age 12 and over will be \$15 additional per day. Taxes to be added. The cut-off date for accepting reservations at the quoted rate is May 10, 2011 at 5PM. After that time the prevailing rates will apply based on room availability. Be sure to explain that you are with the Cessna 170 group. We have 60 rooms blocked at this time. If our group books all these rooms early enough we can block more rooms. Our special room rate is honored 2 days before and 2 days after the convention contract dates of the 10th through the 15th.

For RVs, Campland by The Bay is approximately 5 miles from the airport (858)581-4200.

HOST AIRPORT: Montgomery Field (MYF) is a city airport. Sorry to say, there is no camping on the airport. The Four Points Hotel is 1/3 mile from the airplane tiedown area. Vans will shuttle from the planes to the hotel.

AIRCRAFT PARKING: Aircraft parking will be in different areas of the airport. Those arriving first may want to park at Gibbs Flying Service. Mr. Gibbs is not going to charge for parking as long as you buy fuel. Please come in to that location needing fuel. Others will be able to park at the transient area in front of the Administration/restaurant building. The fee there will be \$5 per night. Sorry, I couldn't get a discount from them. You may be there a day or so and then be able to move over to the Gibbs lot. So, don't fuel up at the city pumps too soon. There may be a couple other areas where I can find tiedowns at a lower rate, out in the dirt, if you have your own tiedowns.

AIRLINE TRAVEL: For those utilizing commercial airlines, you will be landing at Lindbergh Field (downtown San Diego) and vans will pick you up there and shuttle you to the hotel. Call the hotel at (858)277-8888 for shuttle pickup. If they cannot respond call me at (858)437-3962 on my Verizon cell phone for one of the vans that I will have as a backup. There are two terminal buildings at Lindbergh International Airport. Be sure to say if you are at terminal #1 or #2 and give your name. To avoid trying to be picked up in the worst part of the traffic jam, get your baggage, go out the door to the curb, walk to the right to the end of the building and wait there by the curb (away from the chaos). Then look for the van with markings for the hotel (Four Points Hotel) or the Association logo on the van door.

CAR RENTAL: Car rentals companies are at Lindbergh Field. Enterprise Car Rental is at Montgomery Field at Gibbs Flying Service (858)277-0310.
